

Nutrition Policy

The aim of the HLC Alliance Food and Nutrition Policy is to establish a holistic approach in promoting good nutrition.

This centre is signed up to the Breastfeeding Welcome Here scheme

Staff will promote the key messages relating to healthy eating and nutrition

Promoting healthy eating and good nutrition at every given opportunity and linking with appropriate health professionals

Promoting locally sourced, seasonal produce and linking with community gardens, and allotment schemes

Agree food and drink choices with caterers and HLC staff prior to an event, ensuring healthy food and drink choices are available

Healthy food choices will be available and promoted where foods and beverages are sold/and or provided

New Lodge Duncairn Community Health Partnership complies with the HLC Alliance Food and Nutrition Policy
